Integra Renews Supplier Agreement with GeriMed

Anacortes, WA – September, 2016 – Integra, Inc. has renewed its Supplier Agreement with GeriMed group purchasing organization. Many Integra customers are part of GeriMed’s growing member pharmacy network supporting independent businesses to compete with national long-term care pharmacy chains.

“With a mutual focus on the long-term care market, it’s a natural fit for Integra to partner with GeriMed,” said Integra Marketing Director Kirsten Henry. “We admire their commitment to personal service and advocacy for the independent pharmacy.”

In partnership since 2010, Integra annually attends the GeriMed Conference in addition to offering discounted member rates for purchase of Integra’s document and delivery management products, DocuTrack and DeliveryTrack. “The Conference is a tremendous opportunity for Integra to connect with existing customers as well as introduce our products to potential customers,” said Henry.
